I am sending you this post card because I believe that you would make a great mentor with Hope for Youth Alliance. Being a mentor is a powerful way to make a lifelong and positive impact in the life of a young person and in our community. Mentoring has been a worthy investment of my time and energy. Check out

www.hopeforyouthalliance.org and if you are interested please call Daniel Arellano at 505-753-2094 or email: gotmentors@gmail.com HYA has a list of over 50 youth who want a mentor. Maybe it could be you! Thank you so much for considering this,
